**COLON CANCER AWEARENESS.** We received this note from Karen Hampton (84) "Hi, I really enjoy the Surrattsville newsletter. I graduated in 1984 - Karen Hampton. In May of 2020 I was diagnosed with colon cancer. It was caught early so I only had to have surgery, no chemo. I started a nonprofit charity to help others navigate the confusing process of diagnosis and treatment since there was no guidance for me. Even as a pharmacist it was quite alot to learn about in a short amount of time. I was hoping you could put my information in the newsletter to raise awareness for timely colon cancer screening."

Karen's non profit is called Citrus Colorectal Cancer Foundation. Check out her website at [www.CitrusCRC.com](http://www.CitrusCRC.com) !

**ACHIEVEMENT AWARD NOMINEES SOUGHT.** As we do each year, we're asking you to help us identify nominees for the Foundation's Annual Achievement Awards.
